Re: Request for specific information

Ms. Poston,

Immediately after meeting on September 23, 2014, the District took steps to ensure all accommodations for the 2014-2015 school year were in place for you. Those accommodations were later memorialized in a letter dated October 23, 2014.

By letter dated November 14, 2014, you stated that one of the accommodations that the District is providing is completely unacceptable and not an effective alternative that meets your needs. But, you did not identify which accommodation is of concern. You also stated that there was another incident between 9/23/2014 and 11/14/2014 of the District failing to provide an accommodation to you. Again, you did not identify what happened.

In order to understand the issues, please provide me specific information about (1) the accommodation that is completely unacceptable as an effective alternative to meet your needs; and (2) the incident you referenced between 9/23/14 and 11/14/14. Once we have an understanding of the specifics, we will be in a better position to address the situation and respond to your concerns.
